- **Look at the art. Do not touch the art.** Our hands can damage the art in many ways.
- **Stay with your group.** If you wander off, your docent cannot share the educational information with you.
- **Use your indoor voice.** A quiet voice when talking will allow us to hear what you have to say. Raise your hand if you have something interesting to say.
- **Walk please. Do not run, skip or jump while in the museum.**
