The RAM 9th Annual International PEEPS Art Exhibition is Here

Racine, WI  March 22, 2018

On Thursday, March 22, within the pristine white walls of an award-winning contemporary art museum, Racine Art Museum presents an untraditional exhibition showcasing fluffy, sugar-coated marshmallow PEEPS®. Open through April 8, the RAM 9th Annual International PEEPS Art Exhibition features 126 entries that demonstrate the talent of over 174 artists from across the country.

This spring, visitors to the show will discover artworks made with a variety of media. While the iconic seasonal candies are still the most common material, many of this year's works are two-dimensional paintings and works on paper, as well as innovative 3D sculptures. Inspired by inventive puns, pop culture, sports, and famous artists, the show includes pieces like Funky Peepcock fashioned in sparkling glass beads and feathers, Pop Art Peeps crafted in glazed stoneware, and Sweet Meets Wild, an inlaid box made of different hardwoods. Thirty-two quilt block entries also adorn the walls, including one entitled Radiant Peep from Rancho Mirage, California. Many of the PEEPS art entries are by local artists, families, and organizations, with several arriving from as far away as Pisgah Forest, North Carolina and Tucson, Arizona.

During the Artist Reception and Awards Ceremony on the evening of Wednesday, March 21, Bruce W. Pepich, RAM Executive Director and Curator of Collections, hosted the awards presentation to honor the most accomplished artists in this competition.
