Art Consultation Service for Business

Throughout Southeastern Wisconsin, manufacturers, financial institutions, medical and dental offices, social clubs, and retirement communities have provided pleasure to the eyes of their visitors and employees by taking advantage of RAM’s art rental program. One of our art consultants will visit you and assist you in making the best selection for your environment. When you select four or more pieces, they will be delivered and installed by our agent. If you wish, artworks can be rotated or re-rented at three-month intervals. It is a treat for people who visit frequently to be greeted by new vistas and designs.
