Annual Contributors Report 2011

Annual Contr

Dear Friends

Welcome to the 2012 edition of our annual contributors report that celebrates the hundreds of individuals, organizations, businesses and foundations that were integral in sustaining RAM and Wustum's exhibitions, programs and operations during 2011. It was a great year with many highlights all made possible with your generous support and hard work. My favorite highlights include:

- **RAM on the Road** was launched and delivered free art experiences to hundreds of people of all ages in schools and other community-based settings. This exciting program helped increase the number of outreach participants by a whopping 245%!
- Since RAM's opening in 2003, the size of the collection has more than doubled from 2,920 to **nearly 7,000** artworks. These works come to us from collectors and artists living in more than 30 states.
- For the second year in a row, RAM was selected by the National Endowment for the Arts to receive funding in support of our education programs.
- RAM welcomed **51,994 visitors** locally and from 46 states and five foreign countries, supporting our vision to be a cultural and economic anchor in this community.
- RAM was reaccredited by the American Association of Museums (AAM) in Washington, DC. **Only 5% of US museums** are professionally accredited.
- RAM, in partnership with the **Osborne and Scelik Family Foundation**, announced the creation of four fellowships of \$2,500 each to visual artists residing in the Racine/Kenosha corridor, East of I-94. The winners' solo exhibitions will open at RAM's Wustum Museum in 2013.

Personally, I would like to thank you all from the bottom of my heart for your gifts—both of your time and your hard-earned money. It is a privilege to work with you toward growing and sustaining RAM's exhibitions and programs for future generations. RAM is truly a special place supported by a multitude of earthly angels. On behalf of our Executive Director, Bruce W. Pepich and the staff, I invite you to read and enjoy this tribute to all of you.

Contributors Report 2011

As a gesture of our appreciation, we recognize these generous donors who have provided the museum with financial gifts in 2011. This list includes those who have supported RAM through membership, the RAM Society, sponsorship, foundation grants, Empowerment Campaign, Capital Campaign, Annual Sustaining Fund, gifts in honor or memory of loved ones or friends, and fundraising events.

Because we are a private institution and receive no public funding, all gifts are welcomed with the utmost gratitude. Although we hope this list is complete, if we have missed or misspelled your name, please call Sue Buhler-Maki at 262.638.8300 x117, so we may immediately correct our records. Thank you.
