Racine Art Guild Juried Exhibition 2025

Racine Art Guild juried exhibitions at RAM's Wustum Museum demonstrate the creativity of this organization's members. The 62 works selected for this show display an advanced understanding of art techniques and presentation.

Juror

Doug Singen is an Associate Professor of Art History at the University of Wisconsin–Parkside. Singen began teaching at Parkside in 2014 and received tenure in 2020. In addition to his teaching duties, in 2020, he began serving as Director of the General Education Program. Singen's research interests include American comics and graphic novels; interactions between mass culture, subcultures, and the avant-garde; activist art; and decolonizing the disciplines of art history and comics studies. In 2023, he received the Eisner Award for his scholarly work related to comics and graphic novels.

Mission

The purpose of the Racine Art Guild is to promote creative and original art for the mutual benefit of members, and to advance the appreciation of art in Racine.
