Free Family Art Day: Create, Connect, & Build

Sat Sep 26 10am - 2pm

As part of the In/Between Festival, this free art experience is a day for your family to get creative and connected through hands-on artmaking and activities.

Paper, Pattern, & Play Hallway Art Installation

Color, geometry, and imaginative abstraction are yours to uncover through the art of papercutting. With just colored paper and scissors, you can create endless compositions inspired by the intricate designs and vibrant colors in *Michael Velliquette: Intuitive Patterns* at RAM Downtown.

Make and take your works home. Or leave your mark on RAM Wustum by adding your pieces to a collaborative installation with hundreds of handmade patterns.
