Summer Art Camp – Attack of the Art Invaders! Ages 7–13

9:00 am – 4:00 pm

Invasive plants, invasive waste, invasive animals, invasive art—make art that investigates the idea of invasion.

Through creativity, examine how waste, garbage, and alien species are intruding on our natural world.

On Friday, family members are invited to experience the

Zero Waste outsider art installations—made throughout the week—that will permeate the Wustum grounds.
