

Life Drawing
Tom Hoffman

Supply List

As our drawing group may include all levels of artists from beginners to professional I have arrived at the following list for those who may need guidance. I am open to more advanced students working with any media that interests them but I recommend that the beginners work in charcoal or pencil as they give the greatest opportunity to make changes.

Drawing Materials

- Ebony pencils (3)
- Charcoal pencils (soft& medium)
- Compressed charcoal sticks (soft& medium)

Paper

18"X24" drawing pad (or larger) Strathmore medium 400 series is a good choice

Drawing board to support the pad

Kneaded eraser

X-acto knife

Tissue paper

Class will be held at RAM's Wustum Museum, please call 262.636.9177 for more information.
