

3. Take a ball of yarn and tie the end to the bottom of a tab, securing it next to the base circle.
4. Begin to weave over the top of one of the tabs and then underneath following a pattern round and round.

5. After a few layers of yarn, reverse your pattern now going under first and then over to create solid yarn layers on both sides of your cardboard tabs.
6. When you want to switch out colors, cut the end of the yarn and retie the new color onto the end- then continue with the weaving pattern.
7. Color the bottom of your basket with a marker to complete.
