Emma Vanderwall

Supplies

- Cardboard
- Markers
- Paper
- Plastic Wrap
- Tray
- Water

R|A|M

Instructions

1. Cover a piece of cardboard with plastic wrap.

2. Draw a design onto the plastic wrap with washable markers.

3. Coat one side of the paper with water.

4. Gently set the wet side of the paper down on your drawing and press.

5. Peel the paper off and leave it to dry
