Supplies

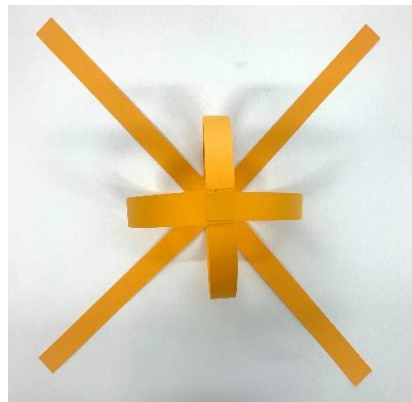

- Orange paper
- Green paper
- Scissors
- Glue or stapler
- Pencil
- Ruler

Instructions

Pumpkin

1. Measure and cut the orange paper into long, one-inch strips.
2. Layer the strips in a star formation, securing the ends with glue.
3. Join the other end using glue to create a sphere.

Stem

1. Cut a 1 x 3 inch strip of green paper.
2. Fold the paper into a triangle and secure with glue.

Glue the stem to the top of the pumpkin.
